

Termly Tale

Heads news

Another term has flown by and our pupils have been busy enjoying a range of activities inside and outside the classroom. The snow has been a little disruptive but hopefully (and fingers crossed) that the warmer weather is on its way.

We say goodbye to Angus Marsden this week, who has been teaching part-time in class 2. Angus is leaving to take up another post. Andrew Armond will teach in class 2 for 3 days a week instead of two. We have appointed Jacqueline Ford as a TA 1 in class 2 and Gillian Walton TA1 who will be covering in Class 5 initially.

Building works update

The new build is taking shape and looks impressive. First fix electrics have gone in. We continue to have meetings about the building and we have discussed colours of blinds, flooring and kitchen units. It is getting very exciting now as the building is beginning to take grow and take shape.

Have a wonderful Easter holidays. Jennie and Julie

Class 4 at the pentathlon

This month, Class 4 took part in the Pentathlon at Cirencester College. They did an excellent job of working as a team and competed with 7 other schools from Gloucestershire. There were lots of sporting activities to take part in, including: polybat, precision beanbag, new age kurling, boccia and table cricket. One of our favourites was the parachute popcorn - we collected all of the balls in 19 seconds! Of course, we all got fantastic medals for working so hard. Well done Class 4.

World book week

Classes enjoyed 3 days of celebrating books before the snow. We had a Where's Wally hunt and a snack related to a story. We managed to have our World Book Day assembly after the snow on the theme of books that make us laugh.

Sports Relief

Thank you to all children, parents and staff for supporting Sports Relief on the 23 March. We started the day with a spots assembly in the sports hall and followed this with a café organised by Matthew in class 6. In the afternoon the pupils enjoyed dancing around at the disco.

Playground fun

This term pupils have been looking forward to Thursday's cardboard box play at lunch times. We have been saving all the large boxes that come to school and even collected some old sheets and blankets. Pupils have had some much fun building dens and imagining all sorts of things. If any parent has access to large empty boxes the pupils would love some more.

Class 6 residential

Pupils from Class 6 went on residential this term to Exmoor Calvert Trust. Thanks you to the staff who gave up their time to take pupils on the residential.
